Dear Ms Jones

Electoral Arrangements in Wales

The members of Ambleston Community Council have studied the Discussion Document dated June 2006 and wish to make the following comments :-

- (i) It is important that young people should be encouraged to vote.
- (ii) Candidates in elections should make greater efforts to meet with young people such as Sixth-form school pupils and College Students and encourage them to vote.
- (iii) Voting via the Internet should be made available, providing it can be made secure against electoral fraud.
- (iv) Compulsory voting should be considered.

Yours sincerely

M A Griffiths
Clerk
