REGISTER OF FINANCIAL OR OTHER INTERESTS

Introduction

Section 36 of the Government of Wales Act 2006 and Standing Order 2 require the National Assembly to maintain and publish a register of interests of Assembly Members.

Members are required to register any relevant interests within eight weeks of taking the oath or affirmation and also register within four weeks any changes to those interests. Section 36(7)(a) of the Government of Wales Act makes it an offence for any Member to participate in proceedings of the Assembly without having registered a relevant interest as specified in the Annex to Standing Order 2. The responsibility for complying with the duties to register and declare interests rests with Members alone, although they may seek advice from staff within the Assembly Commission.

Thresholds

Part 5 (iv) of the Annex to the Standing Order 2 provides for the establishment of thresholds over and above which Assembly Members are required to register gifts, hospitality and other material benefits or advantages. An Assembly resolution in May 2006 established the threshold for the registration of gifts and hospitality as 0.5% of the basic gross annual salary for an Assembly Member (which is currently approximately £269).

Some Members choose to register a number of matters that fall below the stipulated thresholds. They are entitled to do this if they so wish. However, it should be stressed that those Members who have observed the thresholds have thereby complied precisely and in full with the rules as laid down in the resolution of the Assembly.

Categories of Interests

The form for National Assembly Members to register their interests is prescribed by the Presiding Officer and has the following ten categories:

- *Category 1: Directorships*
- *Category 2: Remuneration Employment, Office, Profession, etc*
- *Category 3: The Names of Clients*
- *Category 4: Gifts, hospitality, material benefit or advantage*
- *Category 5: Remuneration or other material benefit*
- *Category 6: Financial sponsorships*
- *Category 7: Overseas visits*
- *Category 8: Land & Property*
- *Category 9: Shareholdings*
- *Category 10: Public bodies*

Inspection of the Register

The Register of Members' Interests is maintained in the Table Office of the National Assembly for Wales. It is open to public inspection on the Internet or in the Table Office itself during opening hours.

RECORD OF MEMBERSHIP OF SOCIETIES

Introduction

Standing Order 5 requires the National Assembly to maintain and publish a record of memberships of societies held by Assembly Members.

Members are required to record any membership within eight weeks of taking the oath or affirmation and also register within four weeks any changes to those interests. The responsibility for complying with the duties to record membership rests with Members alone, although they may seek advice from staff within the Assembly Commission.

Standing Order Requirements

Some Members may choose to record membership that is not required by Standing Order 5. They are entitled to do this if they so wish. However, it should be stressed that those Members who have observed the Standing Order requirements have thereby complied precisely and in full with the rules as laid down in the resolution of the Assembly.

Specified Form

The form for National Assembly Members to record membership of societies is prescribed by the Presiding Officer. This is a combined form for the Record and the Registration of Members' Financial and other Interests.

Inspection of the Record

The Record of Membership of Societies is maintained in the Table Office of the National Assembly for Wales. It is open to public inspection on the Internet or in the Table Office itself during opening hours.

RECORD OF EMPLOYMENT OF FAMILY MEMBERS WITH THE SUPPORT OF COMMISSION FUNDS

Introduction

The National Assembly's Standing Order 3 requires any Assembly Member who at any time, with the support of Commission funds, employs, either directly or indirectly, a person whom that Member knows to be a family member of that Member or of another Member, to make a notification under that Standing Order. Responsibility for complying with the duties to record this information rests with Members alone, although they may seek advice from staff within the Assembly Commission.

Notification under Standing Order 3 must be made within eight weeks of the date on which the Member takes the oath or affirmation of allegiance, or within four weeks of:

- i) the first occasion on which the family member receives a payment with the support of Commission funds,
- ii) the date on which the employee becomes a family member of that Member or of another Member, or
- iii) the date when the Member first becomes aware of the fact that the employee is a family member of that Member or of another Member,

whichever is the later.

Under Standing Order 3, a 'family member' means:

- (a) a partner of a Member;
- (b) a child or grand-child of a Member;
- (c) a parent or grand-parent of a Member;
- (d) a brother or sister of a Member;
- (e) a nephew or niece of a Member; or
- (f) an uncle or aunt of a Member.

Standing Order 3 also defines:

- (i) "partner" means a spouse, civil partner or one of a couple whether of the same sex or of the opposite sex who although not married to each other are living together and treat each other as spouses.
- (ii) the expressions "child", "grand-child", "parent", "grand-parent" "brother", "sister", "uncle" and "aunt" apply equally to half-, step-, foster- and adoptive relationships and also apply to persons having the relationship in question to the partner of the Member;
- (iii) "Commission funds" means amounts paid by the Commission by way of allowances under sections 20, 21 or 53 of the Act.

Inspection of the Record

The Record of the Employment of Family Members is maintained in the Table Office of the National Assembly for Wales. It is published on the National Assembly's website and is available for public inspection in the Table Office itself during opening hours.
