Dear *Ann,*

Following my appearance before the Committee on the 28<sup>th</sup> April, I agreed to send you a copy of the guidance relating to the provision of Disabled Facilities Grants (DFG) and information on equality across housing tenures. These are enclosed. With regard to the other action points, I can also confirm that I have written to the Minister for Health and Social about workforce planning in relation to Occupational Therapists and that my Officials have also written to all Local Authorities asking for information on adapted housing registers as well as the second benchmarking report. I will write to you again once the information is received.

Yours sincerely,

**Jocelyn Davies AM**
