Dear Richard Edwards AM

I am writing back to a consultation paper answer by
17th Oct 2001 in our local paper. Headline
Station past its sell by date. We report
Not clear we will be on Sgym Centre flow but down
up Windsor road direct sight of the rail station outside
bus/rail interchange to bus stop.
Going back to policy review of public transport. I say
you move to bus users of public transport.

Yours sincerely
