Dear Sir

**Consultation on the proposed Legislative Competence Order relating to
Community Councils and Councillor Recruitment, Retention and
Allowances.**

I write to you on behalf of St. Dogmaels Community Council.
St. Dogmaels Community Council fully supports the LCO. It is important
that the Welsh Assembly has the power to make legislation within Local
Government.
Community Councils are the Authority at grass root level of the community
and their knowledge should be far more appreciated.
We hope that more powers will be passed on to the Welsh Assembly.

Yours sincerely

Clerk
