Dear Ms Lewis

Re: Proposed provision of Mental Health Services LCO Committee – The National Assembly for Wales (Legislative Competence) (No 6) Order 2008 (Relating to provision of Mental Health Services)

The Royal College of Physicians is grateful for the opportunity to submit evidence to the Committee. We find the proposal entirely reasonable and one to be supported as stands providing any further changes are the subject of further public scrutiny.

I trust this comment will be of use.

Yours sincerely

Dr Rodney Burnham
Registrar
