Dear Ms Wilkins,

### **Consultation – Proposed NHS Redress (Wales) Measure Committee**

I write in response to the letter from Jonathon Morgan AM regarding the above consultation.

Having given consideration to the proposals outlined in the Explanatory Memorandum I would confirm that Conwy County Borough Council would support the principles of the proposed Measure. Whilst the implementation of the Measure would not result in a direct impact on the work of the Council, we recognise the positive consequences for the community particularly in terms of promoting equality.

Thank you for the opportunity to input into this consultation.

Yours sincerely,

Bethan Jones
