**Subject:** NHS Re-Dress Measure

Dear Sir / Madam

I am emailing on behalf of Age Concern Cymru to offer our broad support for the proposed NHS Redress Measure that is currently out for public consultation. Whilst we are unable, at this time, to offer specific comments on the proposals we would like to make clear our support for the proposal to legislate in this area and our desire to be informed of and involved in the next stages in the process. We are keen to see how the Assembly takes this work forward and we know that it will be of interest to many older people in Wales, we would be especially keen to be involved in the proposed consultation in 2008 subject to the measure being passed. Please do keep us informed of the progress on this issue and do not hesitate to contact me if you require any further information or would like us to offer any other comments.

Best Wishes, Michelle.
